Lifetime Guarantee

As the UK's only manufacturer of high pressure laminate, Formica Limited is the only company that can offer a lifetime guarantee on its range of laminate worktops. This guarantee covers any laminate worktop found to be defective in either material or manufacture from the date of installation.

Due to the properties of gloss laminate we are unable to accept performance responsibility for this decorative surface. Colour and surface finish should be compatibility checked before fitting as we cannot accept claims for re-fitting resulting from a mis-match of colour or surface finish. Quality assured.

Quality Assured

All Axiom worktops are strictly manufactured in accordance with British and European standards to ensure they meet exacting modern kitchen requirements. Specific features incorporated into the worktop increase their resistance to heat, impact, moisture and scratching (excluding gloss). For over 10 years the Axiom range of domestic kitchen worktops has achieved the ultimate mark of product quality – the FIRA GOLD AWARD. Assessed by the Furniture Industry Research Association, in accordance with British and International standards for all aspects of workmanship and 'fitness for purpose', it brings the assurance that this product has been manufactured to the highest standards. Gloss worktops All gloss Axiom worktops (AB61) benefit from the unique 'ar plus' laminate technology, which gives enhanced wear and scuff resistance compared to all other gloss laminates. Gloss surfaces do scratch more easily so additional care must be taken.
